Experience

INDEMY | *Data Analyst* **Jun 2026**

- Developed **Selenium-based automation** to extract and structure LinkedIn profile data of fresher students, reducing manual data collection and improving data accessibility.
- Built an **end-to-end data pipeline** from automated browser-based data extraction to profile analysis and actionable insights using **Python** and data processing techniques.
- Created interactive **Power BI dashboards** to analyze LinkedIn profile data and support data-driven decision-making, using **DAX** for calculated measures, segmentation, and performance analysis.
- Implemented a **Whisper-based transcription pipeline** to convert YouTube video/audio content into text and applied **NLP** techniques to extract relevant keywords, topics, and insights from transcripts.
- Developed an automated **keyword analysis and blog-generation pipeline** using **Whisper, NLP, LLMs, and Python** to identify high-value topics from YouTube content and generate structured, SEO-focused blog content.

PROJECTS

Customer Churn Analysis | *Python, Pandas, Matplotlib, Scikit-learn* **2024**

- Performed end-to-end exploratory data analysis on a telecom dataset to identify key drivers of customer churn.
- Applied **logistic regression** and **random forest** models achieving an accuracy of **87%** in predicting churn likelihood.
- Visualized churn patterns across customer segments using **Matplotlib** and **Seaborn**, enabling actionable retention strategies.
- Generated summary reports highlighting high-risk customer cohorts, supporting targeted marketing interventions.

TECHNICAL SKILLS

Languages: Python, SQL
Data Science: Machine Learning, NLP
Data Modeling: Pandas, NumPy, Scikit-learn
Databases: MySQL, PostgreSQL
Visualization Tools: Power BI, Excel, Google Sheets
Tools: Jupyter Notebook, Git, MS Office, DBeaver

CERTIFICATIONS

- **Predictive Analytics Essential Training: Data Mining** | *IIBA* *Apr 2026*
  Skills: CRISP-DM, Predictive Analytics, Data Mining
- **Tableau 2024.1: Essential Training** | *NASBA* *Apr 2026*
  Skills: Tableau, Data Analysis
- **Power BI Essential Training** | *NASBA* *Apr 2026*
  Skills: Business Intelligence (BI), Microsoft Power BI
- **SQL: Data Reporting and Analysis** | *LinkedIn* *Apr 2026*
  Skills: SQL, Data Analysis
- **Become a Data Analyst** | *LinkedIn* *Apr 2026*
  Skills: Data Analytics, Data Science

ACHIEVEMENTS

- Awarded **INSPIRE Scholarship** by the Department of Science & Technology (DST), Government of India, for excellent academic performance and pursuing B.Sc.
- Received approximately **Rs. 2.4 Lakhs** under the Central Government **INSPIRE Scholarship** programme during graduation.
- Awarded **Rs. 25,000 scholarship** from the Madhya Pradesh Government for outstanding academic achievements.
- Maintained an overall percentage of **80.17%** and CGPA of **8.88** throughout B.Sc. (Hons.) Statistics.

EDUCATION

Examination	Institute	University/Board	Score	Year
M.Sc. Physics	*Dr. Harisingh Gour Central University*	*Central University*	*Ongoing*	*2026*
B.Sc. (Statistics, Maths, Physics)	*Dr. Harisingh Gour Central University*	*Central University*	*8.88 CGPA*	*2025*
Class XII (PCM)	*Pearl Public Hr. Sec. School*	*MP Board*	*92.6%*	*2022*
Class X	*Pearl Public Hr. Sec. School*	*MP Board*	*95.6%*	*2020*
